

Evidence for Dark Matter

The dark universe

Rotation of galaxies

Velocities of galaxies in clusters

Velocities of stars in dwarf galaxies

Hot gas in galaxy clusters

Galaxy interactions

Collisions of galaxy clusters

Gravitational lensing

Dark energy survey

$$\left. \frac{\Omega_{\text{DM}}}{\Omega_{\text{B}}} \right|_{\text{CMB}} = \left. \frac{\Omega_{\text{DM}}}{\Omega_{\text{B}}} \right|_{t_0} = \frac{1}{5}$$

Caty Pilachowski, Mini-University 2010
